Creating an ASEAN Youth SONET and eCulture Portal An initiative to conduct the first digital culture and heritage workshop (2009 ASEAN ECX Workshop)for ASEAN youths will be held in Brunei Darussalam, Brunei, in March 2009. The workshop is to encourage youths to participate in capturing cultural information for an eculture portal. This initiative is to work towards creating an ASEAN social network or SONET among youths. Once set up, this SONET can facilitate the exchange of cultural data among participating ASEAN member nations. This presentation hopes to report the outcome of this workshop and provide a sneak preview of this newly created ASEAN SONET.
